

Beach Chair Storage Form:

Four racks have been built to accommodate beach chairs that can be stored directly on the beach. The racks are located at the end of the wooden elevated walkway that is situated on the boardwalk at Lincoln Place. Each space in the Beach Chair Rack will accommodate approximately two beach chairs.

The cost per season is 25.00 per space. Spaces are numbered and assigned.

Chairs must be removed at the end of the season so the racks can be moved and stored for the winter.

You are required to provide your own lock and chain to secure your beach chair.

I agree and understand that The Enclave Condominium Association is not responsible for the safekeeping of the Beach Chairs, and that I am solely responsible for their security. I shall receive an assigned space, and will only utilize that space. Chairs improperly stored may be removed and discarded.

The undersigned, on behalf of himself and herself and any persons claiming by, through, or under him or her, for good and valuable consideration, and as a condition to use the Beach Chair Rack Space by the undersigned, agrees to release and indemnify the Enclave Condominium Association, its successors and assigns, from all liability, future actions, suits, controversies, claims and demands whatsoever for or on account of any future loss or injury received, or claimed to have been received, to the person or property of the undersigned, or anyone claiming through the undersigned, in connection with the Beach Chair Rack Space.
