This addendum to lease is made this _____ day of _____, the year _____

BETWEEN Mr./Ms. _____ as LANDLORD, and

Mr./Ms. _____ as tenant, and the Enclave Condominium Association (Association).

1. This addendum is part of a lease made between the Landlord and the Tenant dated _____. If there is a conflict between the provisions of this addendum and the lease, this addendum shall prevail.

2. The parties agree that the rights of possession of Tenant are subject to the conditions and restrictions as set forth in the Rules and Regulations of the Association, and all amendments and supplements thereto.

3. The parties agree that the Premises shall be exclusively used and occupied by the Tenant as a private single family residence, and neither the Premises nor any part thereof shall be used at any time during the term of this lease by Tenant for the purpose of carrying on any business , profession or trade of any kind, or for any other purpose other than a private single family residence. Tenant shall comply with all laws, ordinances, orders and rules of all governmental agencies affecting the cleanliness, occupancy and preservation of the Premises, and the sidewalks connected thereto, and all health safety and sanitation laws during the term of the lease or any renewals thereof.

4. The City of Atlantic City prohibits the rental or the offering for rent of a dwelling unit or apartment without first being licensed. Therefore, the Association will not permit any Landlord or agent on Landlord's behalf to offer for rent the Premises without first producing to the Manager of the Association a valid license issued by the City of Atlantic City authorizing the rental of the unit. This license, in addition to other information, will contain a statement as to the number of adults and the number of children that are legally permitted to occupy the unit. Landlord and tenant covenant with Association that the Premises shall be occupied by no more than the number of adults and the number of children set forth in the city of Atlantic City license for the said premises. Association will refuse to allow any Tenant to occupy the Premises unless Landlord first complies with the provisions of this addendum to the Lease. If a Landlord and Tenant enter into a lease without first signing and attaching this addendum to the lease and complying with the provisions thereof, Association will refuse to allow the Tenant to occupy the Premises. If the Tenant occupies the Premises without the Association having first received notice of existence of the lease, Association will withhold all common element privileges from being used by the Tenant such as the Association's parking lot, swimming pool, laundry facilities and any other applicable common elements. In addition, Association shall have the option to take such legal action against the Landlord, to restrain the landlord from offering the Premises for rent and if it becomes rented without the consent of the Association, the Association shall have the option to take legal action against Tenant to evict the Tenant and/or restrict the tenant from using the common element privileges, aforementioned. The legal costs and attorney's fees incurred by the Association shall be paid by the Landlord.

5. The parties agree that without prior written consent of the Association, landlord shall not allow Tenant to assign the lease, sublet or grant any concession or license to use the Premises or any part thereof. Any assignment, or subletting or concession or licensing to use the Premises without the prior written consent of the Association shall be void and violate this agreement.

Addendum to Lease (continued)

6. The parties agree that the Association shall have the same rights and remedies against tenant as does the landlord in the enforcement of the rules and regulations of the Association, and all amendments and supplements thereto or as otherwise provided under law, for any violations thereof.

7. Landlord does hereby appoint Association as his attorney in fact to act on the Landlord's behalf, to evict Tenant who has violated Rules and regulations, provided Landlord has not instituted said eviction proceedings on his own within 10 days after having received written notice from the Association to do so. Association shall send written notice by certified mail return receipt requested, to landlord and tenant setting forth the nature of the violation and the date, time and place of a hearing before the Board of Trustees of the Association. This notice shall state that the Landlord and Tenant shall attend said hearing with or without an attorney, to present their positions with regard to the said violations. The date of said hearing shall allow landlord and tenant at least 10 days notice. If the Board of Trustees determines that a violation (s) has occurred, it may demand that landlord institute eviction proceedings pursuant to the applicable New Jersey Statutes, so long as such eviction is authorized by the New Jersey Statutes. If landlord refuses or has not instituted said eviction proceedings within 10 days after having been so notified, the power of Attorney authorizing the Association to act on his behalf as aforementioned shall become effective and the Association may then proceed at its option to institute the said eviction proceedings against tenant. In the event that the Association does institute the eviction proceedings Landlord shall fully cooperate with the Association. The court costs and legal fees incurred by Association shall be borne by landlord and be specially assessed against landlord, requiring payment by landlord in the same manner as maintenance fees and other assessments are paid. If said assessment is not paid within thirty days from the date Landlord is notified assessment, the Association shall file a claim of lien against Premises for the amount due and shall proceed to collect the amount due by foreclosure proceedings on said lien and/or by the institution of a lawsuit to recover a money judgment against Landlord.
